

# SOFTWARE LICENSE AGREEMENT

## Product Version: 1.0.2

By using this version of the software (v1.0.2), you acknowledge that it has been duly purchased and licensed for your use. This license applies specifically to the current version as delivered at the time of purchase.

## UPGRADE POLICY

Upon the release of a newer major version of this software, you may be eligible for an upgrade. If you choose to upgrade, the price will be calculated at thirty percent (30%) of your original current purchase price. All coverage, terms, and conditions from your initial version remain in full effect for the upgraded version unless otherwise stated.

## SUPPORT & AUTHORIZED SALES

For any technical support or inquiries, please visit our official website at [www.uniqueedge.net](http://www.uniqueedge.net) or contact the company authorized with the rights to sell and distribute this software.
